EXAMINER'S AMENDMENT

Election/Restrictions

This application is in condition for allowance except for the presence of claims 1-17 and 26-52 directed to inventions non-elected without traverse. Accordingly, **claims 1-17 and 26-52 have been cancelled.**

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record all failed to show either alone and/or in combination an aircraft with floor and interface assembly with movable clamp arms which engage apertures on a second surface with fingers and with primary members which project through the apertures. The prior art shows only one part which cannot be read as the two needed with the particular details of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
